I just moved into my new apartment. It took almost a year of looking to find one I liked. My favorite room is the kitchen because I love to cook. And it's a great place to have sex but I never made it. With a moving man looking like him, would you?

A woman with dark hair and red lipstick is looking up at a large, pink, fleshy finger that is positioned vertically in front of her face. The finger is the central focus of the image, and the woman's expression is one of curiosity or anticipation. The background is a soft, out-of-focus blue.

So we decided to break in the stairs instead. I had just split with my ex and got it on with this gorgeous moving man as soon as the movers left. He came within ten minutes as I sucked him dry. Then I poured champagne, drank the whole body and right into his mouth as he was licking my pussy. Now that was hot! Thankfully, he now knows where I live.

Put two sexy women together on a beautiful warm afternoon and things will surely heat up. That's exactly what happened with these two. They steamed up the photo shoot so much we all stripped down and jumped into the pool to cool off. By the time we dried off, it was time to get back to the sex. It's a hot, sweaty job, but someone's...

To the editors,

I know you're going to print this letter if I tell you how incredibly sexy cover MILF Adrianna is. First, I'm going to believe she is forty. Then I'm going to not care if she has fake boobs. Then I'm going to say she seems like a really good fuck, but I know a lot of it is posed for the camera. Still, nice fucking. Finally, I'm going to ask you to see if she would be willing to contact me so I can tell her this in person, but you won't, will you?

— Scott, Houston

I'm writing to tell you how much I liked your issue with Adrianna on the cover and on the inside, but there were definitely not enough pages of her. What a stunning creature she is. I wish she was somewhere where I could adore her, even from a distance. And the super hot pictorial of Yasmin. Man that was really super hot, and she's got a great body and seems like she likes giving head. And, I have to admit, I'm not a big fan of redheads, especially bright red hair, but Miss Bunny was hotter than hell. What a sexpot she must be! None of the women I've

dated act this way. Why can I meet women like these? Thanks anyway!

— Wallace, Albany, GA

Hey you guys,

You probably get a lot of letters about hot sex, but I've just got to tell someone about mine. I have to write this quick because I'm at the office and gotta go soon, but before I forget it, I'm gonna do it.

Three months ago I got married for the third time. My new wife for the second. For the honeymoon, we hopped on a plane to Jamaica with the excitement of a week of nothing but beach and sex before starting the rest of our lives together. We were too exhausted to fuck that night but I had great expectations for the near future. The next morning I get up early with this raging hard on, but Pamela, my gorgeous new wife, was already up. She was

wearing a baggy sweat suit and her hair pulled back. Maybe she thought that she still looked sexy even in sweats and with no makeup on. She was out on the veranda exercising and hurt herself! She came over to the bed with a puppy-dog look on her face, big sad eyes and hands on her hips. She told me that she was doing toe touches when her back gave out.

I asked if she was okay and she said she needed to lay down because the pain was increasing. That's when my cock's brain took over and I told her that she looked great in sweats and she was turning me on. She sat on the bed and I sat up and grabbed her.

At first she pushed me away gently but firmly. "You must be really hard up if you think I'm sexy in my sweats," she said. I was just a little breathless and pulled the covers down to show her my erection. I slipped my hand under her top trying to squeeze her nipple. "Russ, my back hurts, I can't do this now!" she complained, grabbing my hand and pulling it from her breast. I whimpered that this was our honeymoon and reminded her of all the fun, sexy things we said we would do. She said we would, right after her back got better, but now she had to lay down.

So that's the way it was for three days and I was going out of my mind. She spent everyday in bed or on the veranda staring at the ocean. When I tried to get close to her, she always complained about her back and I went away frustrated. Okay, so the other morning she gave me a quick hand job because I whined and complained so much. After a few strokes I exploded because it was so pent up, and that's why it was a quickie.

YES, I'M WET.

*I'm also sassy, opinionated,
a bitch, a sweetheart, your lover,
and your worst nightmare.
I'm your ex -- asshole.*

Now it's the fourth morning of our honeymoon, only two days left, and I'm desperate. So rather than mope, I ordered a couple bottles of champagne and we sat on the veranda drinking. After polishing off one bottle, she said she felt better and got up pulling me to the bedroom. When we got there, she took off her clothes and got into bed. I went to the bathroom to relieve myself and when I came out she was snoring — naked face down on the bed. I was incredulous and horny as hell.

So, I took some lotion from the bed stand and spread some on her buttocks working it into her crack and slipped a finger inside her butthole. Strangely she spread her legs, seemingly to give me better access. As my finger slid in and out, her hips moved encouraging me to go deeper. I think she moaned in frustration when I pulled my finger out. I got up over her on the bed and put my cock in her butt and I could feel her hips rise up to meet it. I started slowly as not to wake her but my hormones kicked in and I started fucking her harder. Soft moaning sounds began to come out her mouth and her hips seemed to stay in my rhythm.

Then after one deep thrust, she seemed to awaken, looked back at me and gave me a sleepy smile. "Hi honey, happy honeymoon," she cooed. "Don't stop!" She worked herself onto her knees, offering her butt to my hot desire. I worked it some more as she reached between her legs and diddled herself into a screaming orgasm. Well as for me, I exploded my frustration deep in her butthole and collapsed on top of her and quickly fell asleep. For the next two days we fucked every minute trying to catch up for the lost time. So in the end, (no pun intended) it turned out to be a great honeymoon after all for the both of us.

— Russell B, Boston

Dear editor:

I'm the country club photographer at a swanky resort in Miami and I'm between assignments, been sitting at the club bar watching Lisa get tennis lessons from Jeremy. She takes tennis lessons once a week at the club. Jeremy is the club pro who teaches her and he cums once a week also. Trust me, her serve hasn't improved much but she sure knows how to score point, game, set, match, fuck me again.

They usually practice for about an hour, but I noticed that they cut it short this time. With nothing on my plate, I decided to follow them to a secluded spot at the back of the veranda and found them kissing. I hid in the bushes and took out my camera.

Lisa saw me shooting and gave me a wink as she went down on Jeremy. She had no problem swallowing his huge cock. He undoes her clothes, pulls down her skirt and starts licking her. Her pussy gleams from the wetness. After a few minutes all their clothes are off and they go at it. He sucks on her boobs, she sucks on his balls, and I can only suck on my camera strap.

They are now down on the ground sucking and fucking. I sneak in a little closer to get a tight shot of the action. She's on top sucking his dick and Jeremy is on his back licking her pussy. They change positions and are now fucking with the intensity of the final match point at Wimbledon.

— Rick, Miami

Your pictorial of Ciera took me back to one of my

college days some twenty years ago when three of us cocks did this blonde cheerleader, before the game. We weren't supposed to have sex before games, but she was so hot — and so willing!!!!

I haven't been with a girl yet, but I'm looking forward to it. My best friend is gay and when we go out together, she always suggests we sleep together. So far I've said 'no'. But next time I see her I'll be the aggressor and see if she wants to fool around. I think I can be a pretty good pussy lick.

Or maybe I should just stick to guys. I know how to handle them.

any time is a good time

When it came to sex, Donald was always ready for it and everything else had to wait.

Donald is what you might call an adventurer, never afraid to try anything daring. He has been quite happy with his life, especially since his best friend was coming to visit from Texas. The friend who was coming to visit was Penny. But before her flight came in at three, he had to stop by another friend's house, Fran. When he reached her condo, he opened the building's door and flew up the stairs to the second floor. He slowed down to catch his breath before he knocked on the door twice then pausing for half a second and knocking twice again. It was something he and Fran had come up with to let them know it was them at the door. It was a long moment before Donald heard a faint voice saying "Just a sec." He waited another thirty seconds before Fran answered with a pale green facial mud mask plastered all over her face.

Donald jumped back gasping at the nasty sight. "Oh relax," mouthed Fran because she was not supposed to move her mouth or else the mask would crack and she would have to redo it. Fran motioned Donald to her room where he immediately sat down on her computer chair and began spinning from side to side. "You came just in time, I'm about to wash this off." Fran muttered again. Donald laughed as he noticed that Fran was still logged in on her Facebook and her laptop was laid on her pillow on the bed next to the desk.

He looked over at Fran across the hallway in the bathroom washing off the mud mask. She had the best ass in the eighth grade and it's stayed the same all these years. Donald also noticed she was wearing skin tight black yoga pants and he smiled as he moved himself over to the foot of her bed, grabbed her computer, logged her out and logged himself in.

Donald had decided to break the news he had come over to tell in the

first place. "So guess who's gonna be here at 3:00?" he asked. "I don't know, who?" she said. "Penny," replied Donald. Fran had stopped washing her face and was now drying herself off. She looked at him with a raised eyebrow. Fran grumbled putting the towel on the rack. Fran yelled, jumping up and down with a giant smile on her face. At this time Donald noticed that she was wearing tight low neck dark blue t-shirt and that she wasn't wearing a bra. He could see her perky 34 C cup breasts flop up and down with the jumping. With Fran's hourglass shape, nice ass and perky tits, a few years ago Donald would have gotten aroused really fast, but now he was in control and could stand this babe. Fran stopped jumping and pulled the hair band out and let her thick waving, golden blonde hair drop down to her shoulders. She grabbed the brush and began to brush her hair. This time Donald looked down below her waist and tensed up. With the yoga pants, Donald could see her pussy lips straining against the

tight fabric. This was something Donald couldn't handle as he became aroused. Just then Fran asked "How did you convince her to visit?" Donald paused and then told her that he paid for her airfare and so she'd be staying with him for the week. Fran dropped her mouth, "So she's coming here because of you?" Donald nodded and smiled, that's when Fran dropped her brush, screamed, and ran toward Donald with her arms stretched out for a hug. Donald pushed the computer back then realized he still had a aroused cock in his pants. He panicked again but it was too late, Fran jumped on him and as she landed on him, her camel-toe rubbed itself against his cock. He grunted at the short sensation of pussy on his dick. "Oh my god, oh my god, thank you soooo much I love you!" Fran cried as she squeezed him as hard as she could.

She backed up on his lap not knowing that she was rubbing her mons on his cock again. He smiled back and before he could say anything Fran laid a big wet kiss on his lips. She pulled back and said "Thank you, Donald." Then Donald decided to kiss her back, but this time, when she kissed her back, it was much more sensual. Donald didn't care if it was about to happen or not, he had a boner. They were kissing for only a short time before Fran slipped her long tongue into his mouth. As they were swapping spit, Donald had lifted Fran's shirt up below her boobs. Donald began to slowly and softly kiss her stomach sending goose bumps all over her body. He then kissed harder and longer using his tongue as he sucked and nibbled on it for a short time. Fran sat back up and took off her shirt, revealing her near-perfect forty-

year old boobs. Donald went nuts, he grabbed both boobs and tried to shove as much as he could in his mouth and suck, he licked and nibbled on her nipples sending chills throughout Fran's body that soaked her pussy.

Now she needed his dick. She pulled off Donald's shirt and hopped off his lap. She bent down on her knees as she tore off Donald's belt and pulled down his pants as his thick seven inch raging cock sprang up and down like a diving board. Donald looked down at Fran as she licked her lips and had a twinkle in her eye. She lightly gripped his inch and a half in diameter monster, and slowly began to jack him off.

Sitting on the edge of the bed, he was breathing heavily and sighing with every soft stroke down. Fran licked her lips as she leaned into the cock looking at Donald as she kissed it on the head. Pre-cum was oozing down the head and some was on her lips. She opened her mouth and took as much as she could in her mouth and slowly began moving up and down on it. Fran

grinned as she sucked harder and moved faster, taking in another inch. As he came closer and closer to cumming, Fran was moving faster and faster with each stroke, but she couldn't take any more than she was before gagging. She pulled back making a popping sound and grinned.

"I'm gonna cum!" He tried to push Fran's head away but she slapped his hand. Fran wrapped her lips around the head and then Donald came in six big spurts. Fran was swallowing the loads of cum like she was just in the desert. When Donald finally stopped

cumming, he stood her up and sat her on the bed. Fran giggled as she stripped off her yoga pants to reveal a hairless and clean, glistening pussy, that was soaking wet. Donald bent down and hooked her legs over his shoulders and he moved in and kissed her fat pussy lips. Fran sighed and moaned as Donald slipped a finger inside her tight pussy. He spread open her lips and began to lick, suck, and kiss furiously. Sticking his tongue inside her while rubbing the clit, then switching. He shoved two fingers into her vagina, sucking and biting her clitoris. Suddenly she screamed and her whole body shot up and locked in a tensed position until Donald was done. When he was done, Fran laid on the bed panting heavily. Donald climb up on top of her resting his penis just above her pussy, then repositioned himself so the head of his cock was touching her private entry.

Donald pushed in all the way, Fran was moaning with every movement. Harder and harder Donald pushed as he could see Fran's beautiful breasts flop back and forth with every thrust. Fran was gasping and moaning every second. Donald was fucking almost as fast as she could.

He was now pounding her tight little asshole as hard as he could pulling her long blonde hair back for more leverage. He'd stop when he was balls deep in her butt and she tightened her hole as he pulled back for another push in, milking his cock with every thrust.

She closed her eyes as Donald tried his best and hardest to fuck her as fast as he could. He didn't stop until she screamed out that she was about to cum. And then it happened, her whole body shut down as a huge shuddering orgasm came over her. For two minutes, both of their bodies were giving everything.

When he looked up, he saw Fran stumble to the bathroom. She looked down and saw a towel to pick up. When she bent over Donald saw what he missed. Her asshole was the pinkest, sweetest, tightest looking hole he has ever seen. He looked down at his red hot raging boner and thought he had enough cum and pussy juices to use as lubrication. He then walked over, took her hand and placed it on the sink. He then stuck his dick in her pussy one last time. Fran moaned as he took his wet finger and slipped into her tight asshole. She moaned loud when he stuck the head inside. It felt amazing, it was the tightest thing he has ever felt.

He balanced himself as he gripped her ass cheek and shoved the whole dick inside her. Fran cried out and eventually, after five or six minutes, he went faster and faster and faster. He was now pounding her tight little asshole as hard as he could pulling her long blonde hair back for more leverage. He'd stop when he was balls deep in her butt and she tightened her hole as he pulled back for another push in, milking his cock with every thrust. Now, all there was grunting and screaming and the slapping sounds against her hot ass. Then, without warning he came, ropes after ropes of cum splashing inside Fran's pink little asshole. Donald yelled out as he pulled out his red streaming cock. He noticed the cum was now oozing out of her little hole. Donald bent down and spread her ass cheeks and began to rub it all around her little asshole, shoving a finger, then two into it and continued fucking her asshole with his fingers. Fran's ass pushed back, rising up on her tip-toes as another orgasmic wave broke over her body. She pushed back at his fingers as he inserted one more to make her climax even grander.

After a half hour of washing, showering, and more kissing, Donald came back to the bedroom to watch a movie while Fran showering. Twenty minutes into the movie, Fran had finally come out of the bathroom wearing nothing but her white robe. She stepped in front of Donald's view and played with the opening of the robe, offering teasing glimpses of her beautiful, naked body. Her perky tits poked out at him with rock hard nipples. Her pussy was clean and glistened with lotion. Donald chuckled as he looked at her eyes and motioned her toward him. She came over and mounted him on his lap and began to rub her clit over his crotch. He gripped her body as he was sliding his tongue in and out of her mouth sucking on her tongue. Just then he realized what he had forgotten after they had sex. Penny. The airport. He pushed Fran off of him, quickly dressed and grabbed his wallet and phone. "Fran baby, I'll be back shortly with Penny. Warm up the hot tub!"

TAMMY & EDDIE

If you are a breast man, then kick back and get comfortable. We've filled the following pages with beautiful Tammy and her perfectly big boobs. Jeri's boobs are so fine that we had a hard time editing the shots from the shoot.

Yes, she's really fine everywhere, but with those boobs staring you in the face, how can you not help but stare back. But, admittedly, her mountainous melons were definitely the biggest attraction, next to her smooth pussy, or her beautiful face, or her delicious booty. Enjoy, but not too fast!
